Osteoporosis Agents and Calcium Regulators Prior Authorization Request

MassHealth reviews requests for prior authorization (PA) on the basis of medical necessity only. If MassHealth approves the request, payment is still subject to all general conditions of MassHealth, including current member eligibility, other insurance, and program restrictions. MassHealth will notify the requesting provider and member of its decision. Keep a copy of this form for your records. If faxing this form, please use black ink.

Additional information about these agents, including PA requirements and preferred products, can be found within the MassHealth Drug List at www.mass.gov/druglist.

| <input type="checkbox"/> Postmenopausal Osteoporosis (PMO) | |

Please indicate billing preference. Pharmacy Prescriber in-office Hospital outpatient
For hospital outpatient billing, provide department-specific facility NPI. _____
Drug NDC (if known) or service code _____

Section I. Please complete for bisphosphonates, Forteo, Prolia, and teriparatide as indicated above. For zoledronic acid 5 mg requests for a diagnosis of Paget's disease, complete questions 1 through 3 only.

1. Please provide results of bone mineral density (BMD) measurements (T-scores of total hip and lumbar vertebrae). _____
2. Has the member had a radiographically confirmed fracture?
 Yes. Please provide site and date below.
Site _____ Date _____
 No
3. Please list all non-modifiable risk factors for fracture in this member.

4. Has the member tried an oral bisphosphonate and experienced an adverse reaction or inadequate response?
 Yes. Please list the dates/duration of oral bisphosphonate trial and outcomes in Section IX below.*
 No. Please document if there is a contraindication to oral bisphosphonates.

5. If the request is for Forteo or teriparatide, has the member tried Prolia or an intravenous bisphosphonate and experienced an adverse reaction or inadequate response?
 Yes. Please list the drug names, dates/duration of trials and outcomes in Section IX below.*
 No. Please document if there is a contraindication to Prolia and intravenous bisphosphonates.

Section II. Please complete for all agents being requested for the treatment or prevention of Glucocorticoid-Induced Osteoporosis (GIO).

Please provide specifics of the member's chronic glucocorticoid use.
Drug _____ Dose and Frequency _____ Dates/Duration _____

Section III. Please complete for Evenity, Miacalcin injection, and Tymlos requests.

Please attach supporting documentation of the diagnosis, BMD measurements, medical necessity for the requested agent, fracture risk factors, and previous trials including oral bisphosphonates, IV bisphosphonates (ibandronate, pamidronate, zoledronic acid 5 mg), or Prolia as applicable. For Evenity, Miacalcin injection, and Tymlos requests, please also attach supporting documentation of previous trials including Forteo as applicable.

Section IV. Please complete for Natpara requests.

Please attach supporting documentation of diagnosis and previous trials including calcium and active vitamin D supplementation as applicable. Please also attach consultation notes from an endocrinologist addressing the use of the requested agent.

Section V. Please complete for teriparatide requests.

Please provide medical necessity for the use of teriparatide instead of Forteo. _____

Section VI. Please complete for Fosamax Plus D requests.

Please provide compelling clinical rationale for why the combination alendronate/cholecalciferol would offer a therapeutic advantage over the individual agents. _____

Section VII. Please complete for Xgeva requests for a diagnosis of prevention of skeletal-related events secondary to bone metastases in cancer related to solid tumors and multiple myeloma, and hypercalcemia of malignancy.

Please indicate prescriber specialty below.

Hematology Oncology Orthopedic Specialist Other _____

If prescriber is not a specialist, please attach consult notes from specialist.

Section VIII. Please complete for Xgeva requests for a diagnosis of giant cell tumor of the bone.

Please describe surgical history and/or prognosis. If surgery is not appropriate for this member, please explain.

Section IX. Please complete for all requests as needed.

Please provide the following information regarding previous trials.*

Drug name/Therapy _____ Dates/duration of use _____

Did the member experience any of the following? Adverse reaction Inadequate response

Briefly describe details of adverse reaction or inadequate response.

Drug name/Therapy _____ Dates/duration of use _____

Did the member experience any of the following? Adverse reaction Inadequate response

Briefly describe details of adverse reaction or inadequate response.

* Please attach a letter documenting additional trials as necessary.

Section X. Please complete for all requests for non-preferred drug products if one or more preferred drug products have been designated for this class of drugs.

If one or more preferred drug products have been designated for this class of drugs, and if you are requesting PA for a non-preferred drug product, please provide medical necessity for prescribing the non-preferred drug product rather than the preferred drug product.
