This document does not represent the complete MassHealth Drug List. If applicable, drugs may also be subject to additional PA restrictions for polypharmacy, dose, quantity limit, and age. For more information, please visit the MassHealth web site at www.mass.gov/druglist.

MassHealth evaluates the prior-authorization status of drugs on an ongoing basis and updates the MassHealth Drug List accordingly.

1 = Listing may be subject to additional PA requirements per Pediatric Behavioral Health Medication Initiative for members < 18 years of age.

PA = Prior-authorization required. Prior-authorization forms can be found at www.mass.gov/druglist.

Q = PA is required to exceed certain quantity limits.

A = PA is required to exceed certain age limits.
