

MassHealth Pharmacy Covered Professional Services List

This page lists professional services that MassHealth pays for through the Pharmacy Online Processing System (POPS). The service must be provided by a properly trained and certified pharmacist or other appropriately certified health care professional in accordance with Massachusetts Department of Public Health regulations and employed or contracted by a MassHealth pharmacy provider. MassHealth pays for the services at the applicable mid-level practitioner rate found in 101 CMR 317.00: Medicine.
